## Parent Permission for School Trip

During the school year, your child may be making a number of trips to places in interest as a part of the planned educational program of this school. Some of these places will be within walking distance of the school, or Pacific County Transit System may provide transportation. To include your child in these trips, we will need your permission. When out-of-district trips are planned, you will be notified in advance.

Please send in the form at the bottom of the page and return it to school.

In order for my child, a minor, to take part in and receive the advantages of a program planned and sponsored by Ocean beach School District No. 101, Pacific County, Washington, I am permitting him/her to make any or all of the trips included in the planned program of Ocean Beach Alternative School. Transportation maybe approved by the Superintendent.

I release Ocean Beach School District No. 101 and its employees, and waive all claims of any kind arising out of trip(s) taken as here provided. I also authorize Ocean Beach School District No. 101 and its employees to secure medical services in the event of an accident or illness, and I will provide the payment of these costs.

I understand that permission granted above does not release Ocean Beach School District No. 101 or its employees where gross negligence is established.
