This is a brief summary of your dental benefits and does not include all covered benefits, limitations and exclusions. Please refer to your benefits booklet for a complete list of benefits covered by your plan.

Here's some important information to help you use your benefits:

Your WEA Select Dental Plan A encourages you to use your benefits every benefit period. When you use your benefits in the current benefit period, your benefits will increase by 10% in the next benefit period, up to a maximum of 100%. If you don't use your benefits during any benefit period, the benefit level will decrease by 10% in the next benefit period, but will not drop below 70%.

Here's how it works:

Finding a participating dentist

Under your plan, you can choose dentists from two networks: Delta Dental PPO or Delta Dental Premier. You can find a participating, in-network, dentist in your area by visiting DeltaDentalWA.com/WEA and using our Find a Dentist tool. We recommend you select the Delta Dental PPO network to filter your search results.

The advantages of seeing a Delta Dental PPOSM or Delta Dental Premier[®] dentist

We encourage you to see a Delta Dental network dentist because they provide treatments at discounted rates and file all claims paperwork for you. We will pay our portion and you're only responsible for your stated deductibles, coinsurance and/or amounts in excess of the plan maximums. In most cases, you will experience the greatest out-of-pocket savings if you choose a dentist from the Delta Dental PPO network.

Visiting your participating, in-network, dentist

Be sure to tell your dentist you're covered by Delta Dental of Washington and give them your member identification number, plan name and group number.

Visiting a non-participating, out-of-network, dentist

You are not limited to using a Delta Dental network dentist. You may use any licensed dentist. If you choose a non-participating dentist, you will be responsible for ensuring the dentist completes your claim forms and that the claims are sent to us. Claim payments will be based on actual charges or our maximum allowable fees for non-participating dentists, whichever is less. You're then responsible for any balance remaining after we pay. Unlike our participating dentists, we have no control over non-participating dentists' charges or billing procedures.

Confirmation of Treatment and Cost (Formerly called Predeterminations)

If you are considering extensive treatments such as crowns, oral surgery, periodontics or prosthodontics, we recommend you ask your dentist to request a predetermination from us. We will process the request and provide you and your dentist with a Confirmation of Treatment and Cost (Confirmation). The confirmation will show you what procedures will be covered, an estimate of what Delta Dental of Washington will pay and your expected financial responsibility. Confirmations are based on the treatment plan submitted by your dentist and the covered dental benefits available to you at the time the Confirmation is issued. Confirmations are estimates, not guarantees of payment.
