

Welcome to VSP® Vision Care!

You're unique—and so is your VSP benefit. As a member, you'll experience quality vision care, personalized attention, and the best choices in eyewear—all at low out-of-pocket costs.

It's easy to use your VSP benefit.

- **Find the right eye care provider near you.** The decision is yours—choose a conveniently located VSP provider or any out-of-network provider. Visit vsp.com or call **800.877.7195** to find the best provider for you.
- **Create an account at vsp.com.** Review your vision benefit and access your eligibility and coverage information.
- **At your appointment, tell them you have VSP.** There's no ID card needed. If you'd like a card as a reference, you can print one on vsp.com. It is visible in the left menu after you register and log into vsp.com. Sample card provided below.

That's it! We'll handle the rest—there are no claim forms to complete when you see a VSP provider.

You'll get more than the basics and at a great price.

Our WellVision Exam® is more than a quick eye check. Our providers take their time and look for eye problems and signs of other health conditions too.

We're committed to delivering the eye care you deserve, the eyewear choices you want, and the savings you need. For details on your coverage, visit vsp.com or call **800.877.7195**.

Sincerely,

A handwritten signature in black ink that reads 'Kate'.
