

**Facilities Use Request Covid-19 Requirements**

- Social Distancing and cloth masks required to be used by ALL parties at ALL times when on OBSD properties.
- Indoor & Outdoor facilities use must follow current guidance by Washington State, DOH & Labor and Industries. For guidance please reach out to the District Office and/or Safety Director.
- There will be no “Open Ended” dates for facilities use accepted as we need be able to support health and safety guidelines and protocols for disinfecting. Dates and times of Facilities Use Requests must be specific.
- Indoor Facilities Use Requests may incur supplemental fees, such as custodial services or other services.
- In addition to proof of insurance we will need a copy of your organization’s Covid-19 protocols and contact person(s) and contact information for them.
- ALL parties must perform health screenings and keep a roster for each individual for each use, each roster must be kept for a minimum of 28 days for contact tracing efforts. \* Each individual whether coach, student, athlete, child, parent or other human being must be accounted for.
- Events with spectators must conform to the limitations of the facilities as directed by the school district. Spectators must be screened and must be on a roster for contact tracing.

Failure to follow required Covid-19 protocols and expectations will result in immediate revocation of an organization’s facilities use request.
