

Long Beach Elementary School

Dear Parent/Guardian:

Enrollment for Fall 2017 after school program is now open. Program will begin on Monday, September 11, 2017 and end on Thursday, May 24, 2018.

- Program days are Monday through Thursday.
- **PAL will be closed the last Thursday of each month** for staff development.

PAL will begin at 2:40 PM (end of school day) in the cafeteria for a light supper and then students will receive: homework help, reading and math tutoring, as well as other learning enrichment opportunities each day. They will also participate in our Healthy Choices Program.

- Yes, please sign my child up for the after-school program!
- We are not interested in participating at this time.

Your child will benefit the most when they participate every day. All students are required to attend a minimum of three days per week to remain in the program. If your child will be absent from PAL please inform the school by 2:00 PM. **PAL ends at 5:40 PM** each evening. Thank you for being on time to pick up your child as staff are scheduled to leave at this time as well.

To reduce time students spend on the bus, we are asking if your child needs transportation to participate in this program.

- My child needs transportation home each night after the program ends.
- We will pick up our child from school after the program ends at 5:40 PM each day.

The after-school program follows school rules. All students will be expected to try their best, show respect to their peers and staff, make good decisions, and solve problems together.

Thank you in advance for being an advocate for your child's learning and attending our family events, modeling a positive attitude toward school and learning, and helping us teach your child how to problem solve any difficulties they may have.

If you have any questions please don't hesitate to ask.

We are looking forward to a fantastic year!
