

Policy No. 2165

These procedures are designed to permit students to move between Tiers of intervention based on the student's progress against benchmarks as determined by the PST. Student intervention plans and progress monitoring and diagnostic data will be provided to the special education evaluation group at the time of referral.

**HOME OR HOSPITAL INSTRUCTION**

Upon request from a parent or an adult student, home or hospital instruction shall be provided to students who are unable to attend school for an estimated period of 4 weeks or more because of disability or illness. A written statement from a qualified medical practitioner verifying that the student will not be able to attend school for an estimated period of four weeks or more shall accompany the request. The district shall not pay for any costs incurred in securing the medical verification.
