

## **DATA AND RECORDS MANAGEMENT**

### **Data Management**

The superintendent is authorized to enter into a contract with the Washington School Information Processing Cooperative to purchase a student information system, equipment, networking and software to expand the current K-12 education statewide network. The board shall review the data management program annually.

### **Property Records**

Property records and inventory records shall be maintained on all land, buildings and physical property under the control of the district.

Property purchased in whole or in part with Federal funds shall be inventoried every two years. The inventory shall include the serial number of the item, its cost and the percentage of Federal funds used to purchase it.

Small attractive items (printers, video cassette recorders, tools, etc.) shall be inventoried annually and shall be signed out to staff. Sign-out records shall also be maintained.

At the end of each school year each teacher shall inventory the property items in his or her classroom. A randomly selected ten percent of those inventories shall be double checked by an employee of the business office.

For purposes of this policy, "equipment" shall mean a unit of furniture or furnishings, an instrument, a machine, an apparatus or a set of articles which retains its shape and appearance with use, is non-expendable, and does not lose its identity when incorporated into a more complex unit. Property records of facilities shall be maintained on an ongoing basis.

No equipment shall be removed for personal or non-school use. Property records shall show, as appropriate to the item recorded, the:

A. Description of the property and identification;
