

We're Going Back To School

Important Back to school news.....

School Supplies

Ocean Beach School District will be supplying necessary school supplies for all students this year. Students will still need a backpack with their names clearly printed on them.

Please check with your child's teacher if you wish to help their class with any additional classroom needs.

Daily Schedule Change

The daily schedule is changing slightly, the doors to the school will still be open at 7:30 for Long Beach and 7:40 for Ocean Park. School will release Monday through Thursday at 2:40pm, and Fridays at 1:25pm.

First week of school schedule

The first day of school will be Tuesday, September 4th. The first week of school classes will be released at 11:25 am. We have scheduled conferences for teachers to meet with parents and guardians after school during this week. If you have forgotten your previously scheduled times don't worry, your child's teacher will be calling to remind you and make sure that time will still work for you.

Transportation

Student safety is one of our top priorities. It is very important to us that every student arrives where they are supposed to be everyday. We know this is also very important to all parents. This is the reason that we will no longer be accepting daily phone calls for transportation changes. We understand that emergencies happen and sometimes schedules change, during these times feel free to call the office. Ocean Beach Elementary Schools will now be requiring parents to send a written note with their students in the morning if transportation changes need to be made. We appreciate parents support in these changes.

Thank you,

Staff of Ocean Beach Schools
